

## Stuff for Kids

Last Updated Wednesday, 29 May 2013

### Web sites for kids

- Fraction Visualization web activity - <http://illuminations.nctm.org/ActivityDetail.aspx?ID=11>
  - More stuff from the same site - <http://illuminations.nctm.org>
  - MicroObservatory: Take pictures with a NASA telescope! - <http://mo-www.cfa.harvard.edu/Files> for kids posted on this server: <http://allbritton.info/forkids>
  - Fractions  $\leq 1$  - An Excel file I created using a pie chart to show fractions and percentages of 100% or less
